VI) Read the following passage carefully and answer the questions that follow:

5x1=5

When he was born everyone 'advised' his parents to get rid of the kid as he was blind. But his parents, who were not affluent by any counts, chose to take care of him, that too, to the best of their abilities and gave him education. Forbes has named him in the list of super achievers from Asia under the age of 30 but visually challenged Srikanth Bolla is in no mood to celebrate. His goal is to get into the Forbes list of richest persons - and he won't settle for anything less.

Such is the determination of the 25 year - old, who was born blind and overcame all adversities to become the first international blind student at the Massachusetts Institute of Technology (MIT) and now heads a Rs 30 crore (\$4.6 million) company.

Visiting manufacturing plants in different locations in Telangana and Karnataka, attending business meetings and, in between, trouble shooting over the phone, the CEO of Bollant Industries is a busyman.

Born in family of farmers in Machilipatnam in Andhra Pradesh, life has been one long struggle for him. After passing his Class 10 exam he chose the science stream for the plus-two stage but was not permitted to write the Joint Entrance Exam for IIT-aspirants as he was blind.

"I said when IIT doesn't want me, I don't want IIT either. Let me find the best opportunity in the world-better than IIT. MIT being the top school in the world, I always wanted to go there and I went there," said Srikanth, who has a B.SC in management from MIT.

Questions:

1. What did people advise the parents of Srikanth when he was born?

A: _____

2. What is the goal of Srikanth?

A: _____

3. Why did Srikanth decide to study in MIT?

A: _____

4. Write the antonym of 'permit'.

A: _____

5. Answer 'True' of 'False'.

Srikanth missed a great chance because he could not take the Joint Entrance Exam for IIT.

A: _____
